Step-5 To create the ibm account enter the below details

- 1.Account information
- 2.Additinal Information
- 3.Verify email

The screenshot shows the IBM SkillsBuild Software Downloads registration page. On the left, there is a sidebar with the IBM logo and a section titled "IBM SkillsBuild Software Downloads" with a sub-header "Harness the Power of IBM". The main content area is titled "IBM SkillsBuild Software Downloads" and contains a section "1. Account information". There is a link "Already have an IBM account? Log in" at the top right. Below the title, there is a button "AutoFill with LinkedIn". The form fields include: "E-mail" (with a dropdown icon) containing "s12022ibm01987@smartinternz.com", "First name" and "Last name" (both empty), "Password" (with a strength indicator), and "Country or region of residence" (a dropdown menu showing "India"). There are two blue circular icons at the bottom right of the form.

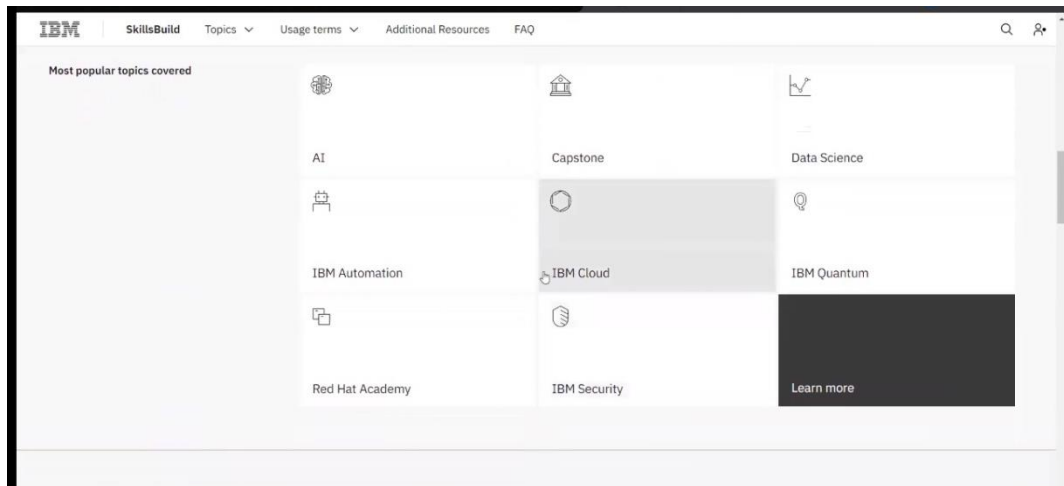

Step-6 To activate the IBM id

- 1.Go to Webmail provided or your institutional email and copy the verification code
- 2.Paste the id and click verify

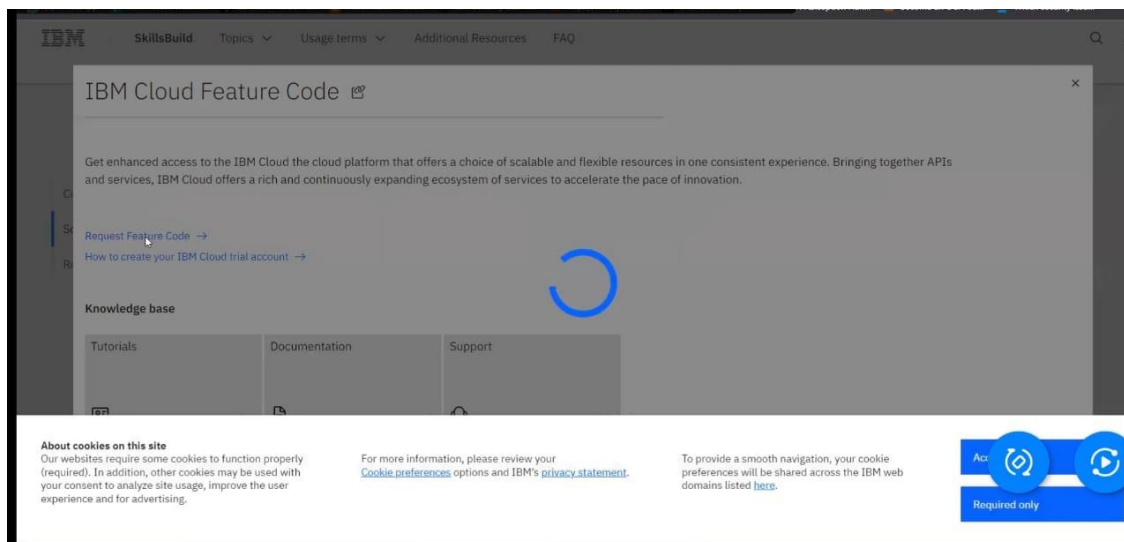

The screenshot shows an email client interface. The left sidebar contains a list of folders: Compose, Mail, Contacts, Calendar, Settings, and Webmail Home. The main content area displays an email titled "New User Registration" from "IBM Security" dated "Today 00:31". The email body contains a warning message: "To protect your privacy remote resources have been blocked." followed by a button "Allow". Below this, there is a section "New User Registration" with a sub-header "From IBM Security on 2022-08-24 00:31". It includes links for "Details" and "Plain text". The main content of the email is a confirmation code: "5320353". Below the code, there are three red rectangular boxes with the following text: "Copy this code.", "Return to the sign-up form.", and "Paste it into the form.". At the bottom, it states "Your code is valid for 30 minutes."

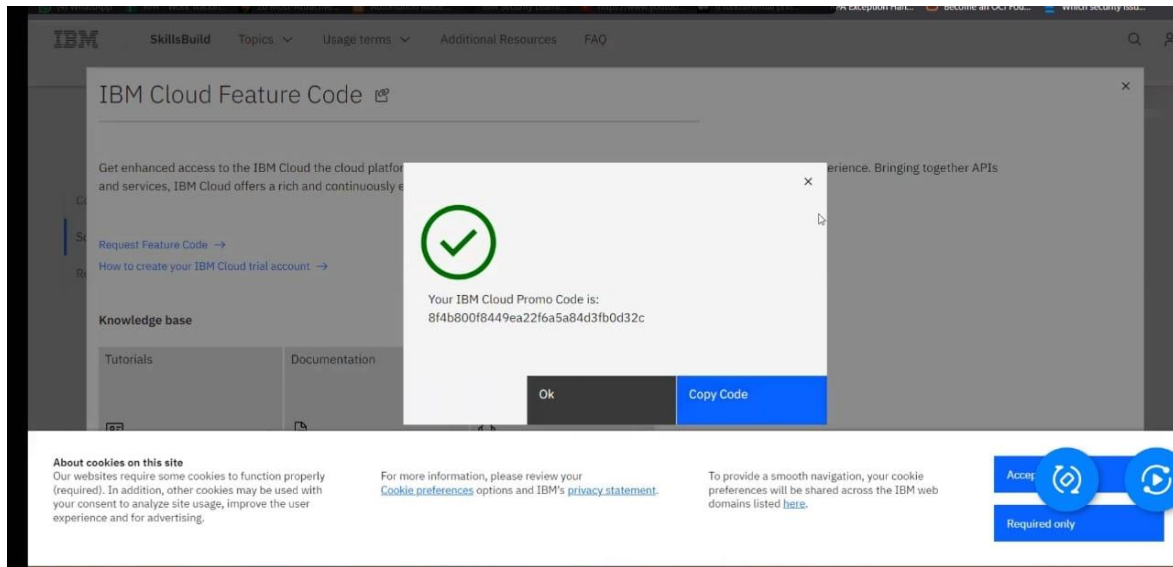

Step-7 To create IBM cloud

1. Click on the IBM cloud
2. Scroll down and go to software, Click on IBM cloud feature

3. Click on request feature code

Step-8 Provide the same credentials i.e email id & password used for IBM account creation and click on next to get the OTP on the registered email id.

A screenshot of the IBM Cloud account creation page. The page title is "Create an IBM Cloud account". Below it, there's a link "Already have an IBM Cloud account? Log in". The "Account information" step is selected, showing fields for "Email" (shivamtnibm@gmail.com) and "Password" (masked with dots). A red box highlights the "Next" button with a downward arrow. To the right, there are promotional banners: "Get started with a USD 200 credit" and "Build your journey to public cloud". Below the form, there are radio buttons for "Verify email", "Personal information", and "Account notice".

Step-9 Provide the received OTP on the registered email id and click on next

The screenshot shows the IBM Cloud account creation interface. The top navigation bar includes 'IBM Cloud', 'Catalog', 'Cost estimator', and 'Docs'. The main heading is 'Create an IBM Cloud account' with a link 'Already have an IBM Cloud account? Log in'. The left sidebar contains three sections: 'Account information' (selected), 'Verify email', and 'Personal information'. The 'Verify email' section is active, showing a message: 'We sent a 7-digit verification code to shivamtnibm@gmail.com. This code is valid for 30 minutes.' Below this, a 'Verification code' input field contains '4074768', marked with a red box and the number '1'. A 'Next' button with a downward arrow is also highlighted with a red box and the number '2'. To the right of the 'Next' button is a 'Resend code' link. The right sidebar contains two promotional banners: 'Get started with a USD 200 credit' and 'Build your journey to public cloud'.
